Before you Begin

Welcome to OldChicken! We are a top seller in the GPU market, with hyper-competitive pricing to get you the best deals around. Through this guide, we will show you:

- How to find everything on our website
- How to create an account and login
- How to search for products and add them to your cart
- How to change the website theme

Let's get started!

Home

The landing page of our website is at https://oldchicken.myweb.cs.uwindsor.ca/. Here, you can find a carousel that displays pictures of graphics cards, as well as 3 random products that may interest you. From any page on the site you can navigate to other pages using the navbar links and the footer links.
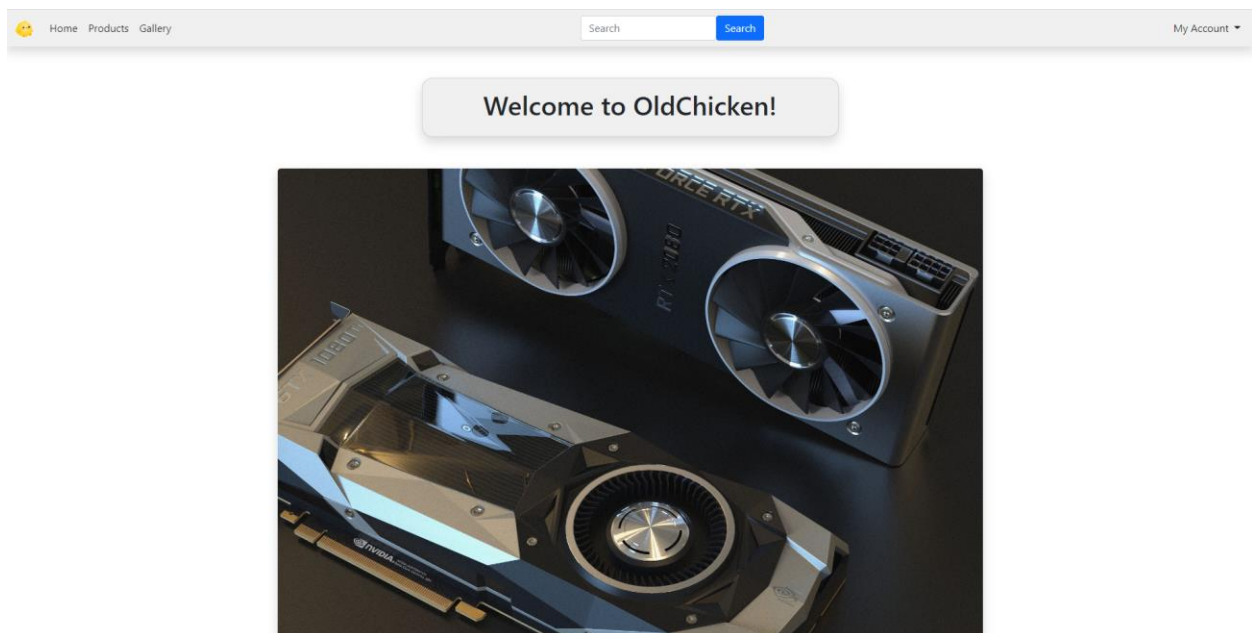

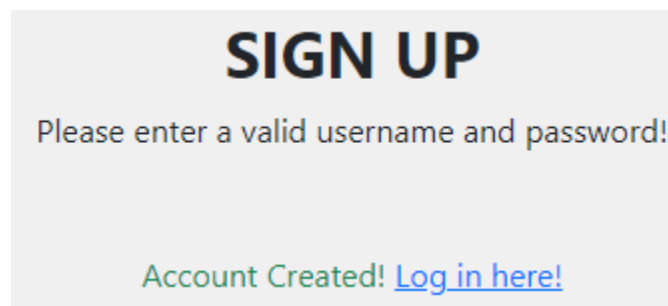

Log In / Sign up

If you are not yet signed in, you can find the log in link at the right side of the navbar. Clicking it brings up the following form where you can log in:

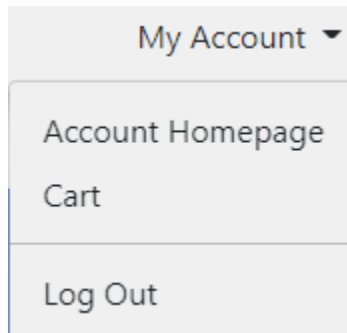

As seen in the form, you can sign up using the link at the bottom to create a new account. The sign up form is very similar. After signing up, you can login by following this link:

Logout

Once you are signed in, you can see a log out option in the footer and in the navbar under the "My Account" dropdown:

Clicking Log Out logs you out and returns you to the homepage.

Products

There are two ways to view our products. Click on the products link in the navbar or footer to view all our products. Otherwise, use the search bar in the navbar to search for products. This will only show products with names containing your search query.

You can use the quantity widgets and the add to cart button to add products to your cart. Note that there is a quantity cap of 100 units per product, so you can not add more than this to your cart.
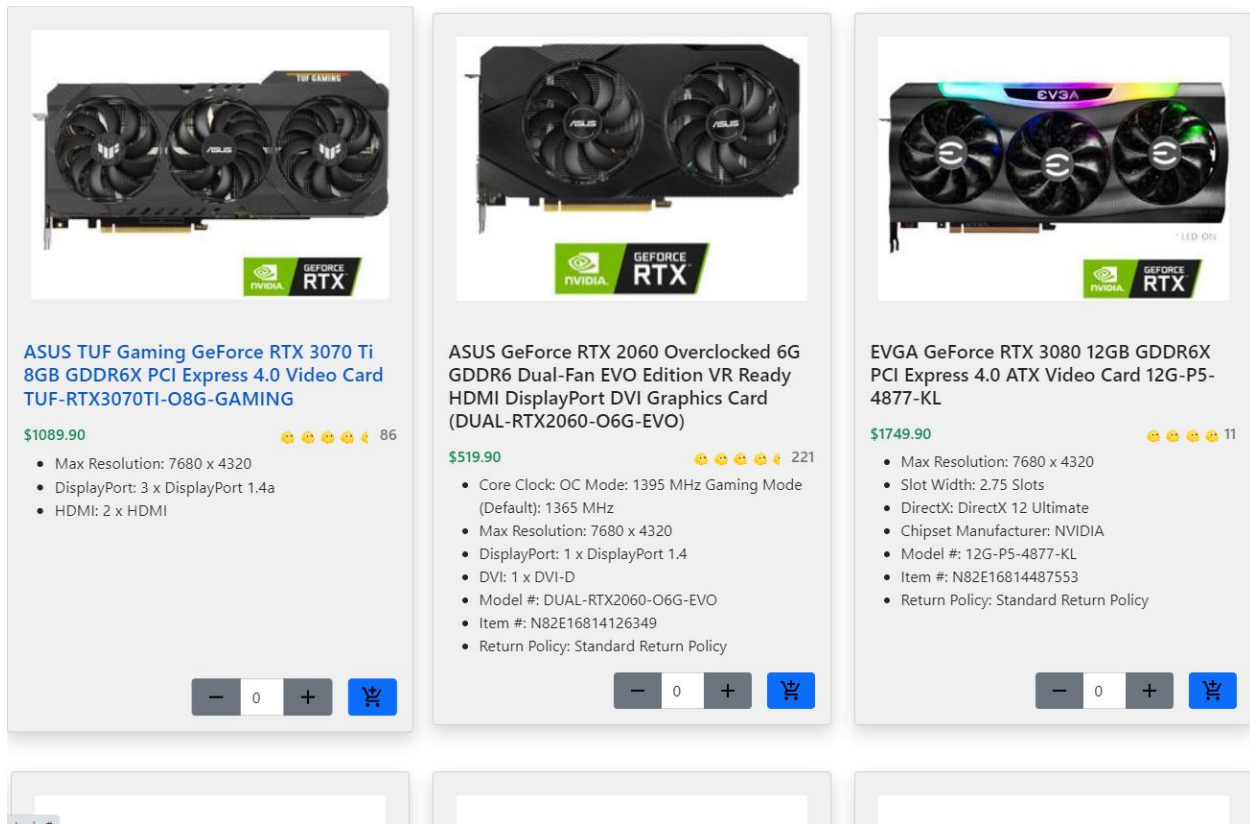

Product Info

   To view more info for a product, click on a product card on the products page. This will bring you to a product info page for the product, which only shows that specific product.

   You can use the quantity widgets and the add to cart button to add products to your cart. Note that there is a quantity cap of 100 units per product, so you can not add more than this to your cart.

Cart

If you are signed in, you can find your cart page link in the footer and in the navbar under the "My Account" dropdown:

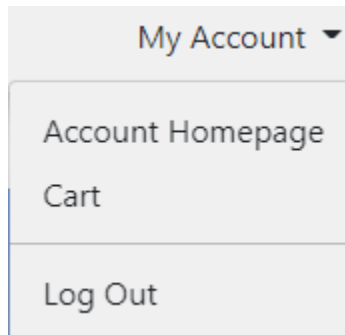

You can use the quantity widgets to edit how many of each item are in your cart. You can also delete items from your cart. Note that there is a quantity cap of 100 units per product, so you can not add more than this to your cart.

| Cart Totals	
Subtotal	$111.22
Taxes	$13.00
Total	$111.22

Account Homepage

If you are signed in, you can find your account homepage link in the footer and in the navbar under the "My Account" dropdown:

On the account homepage you can edit your shipping and billing options. You can have up to 3 shipping and 3 billing options. Details for input constraints are found in the documentation dropdown:

Gallery

To view our gallery, click on the Gallery link in the navbar or footer. The gallery shows community builds from our valued OldChicken customers!

Shipping and Returns

For inquiries regarding shipping and returns, check out the shipping and returns page by using the shipping and returns link in the footer:

Shipping & Returns

Shipping Details

All of our orders are processed and prepared for shipping in 2-3 business days. Orders are not delivered on weekends or holidays, maybe spend some time with your family instead of waiting around for a package eh.

Shipping costs will be calculated and displayed at checkout. Here are our shipping estimates:

Standard Shipping (4-5 business days) - Free
Express Shipping (2-3 business days) - $11.50
Overnight Shipping (1 business day) - $18.50

For shipping outside of Canada (international shipping), additional fees may apply.

Feel free to contact us if you have any further questions.

Return Policy

Thank you for shopping with Old Chicken! Where mediocrity is our guarantee ;)

We offer a full money-back guarantee for all purchases made on our website as long as your reasoning isn't entirely stupid.

If you are not satisfied with the product that you have purchased from us, that will fall under the category of stupid reasons since all of our products are of top-notch quality.

Customers are granted a period of 14 days for which they will eligible to request a refund for any of their orders but it will probably be denied anyways so why even bother?

Feel free to contact us if you have any further questions.

Climate Action

Here at OldChicken, minimizing our environmental impact is paramount. You can check out our Climate Action information using the corresponding link in the footer.

Changing the Website Theme

Do you love dark mode websites? OldChicken has a dark theme, which you can toggle by using the button in the bottom left of the footer!
